

std::embed

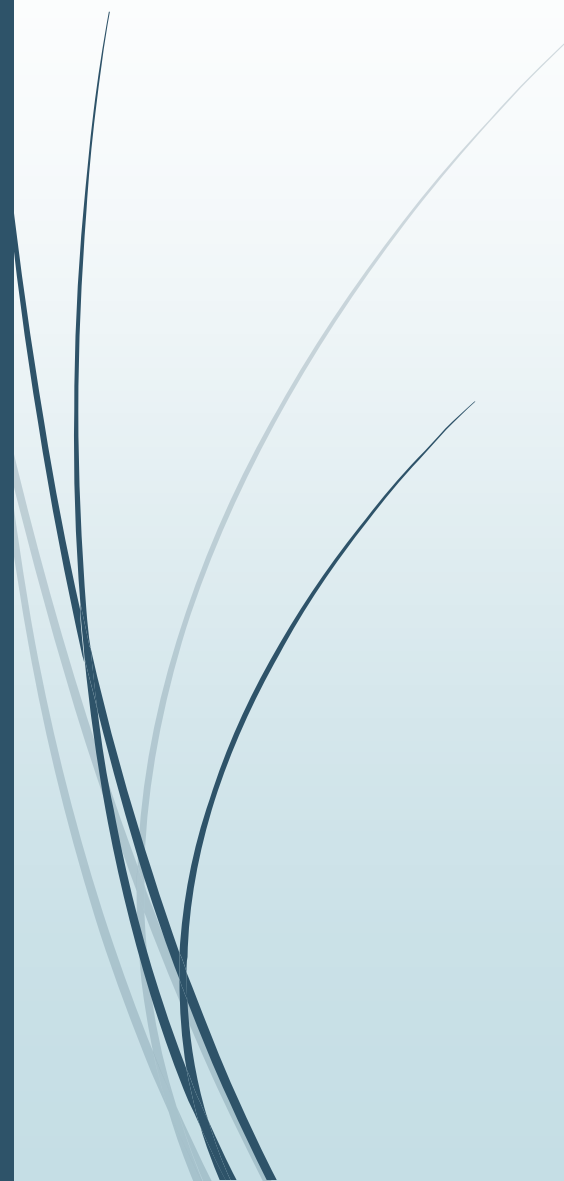

A poetry club example

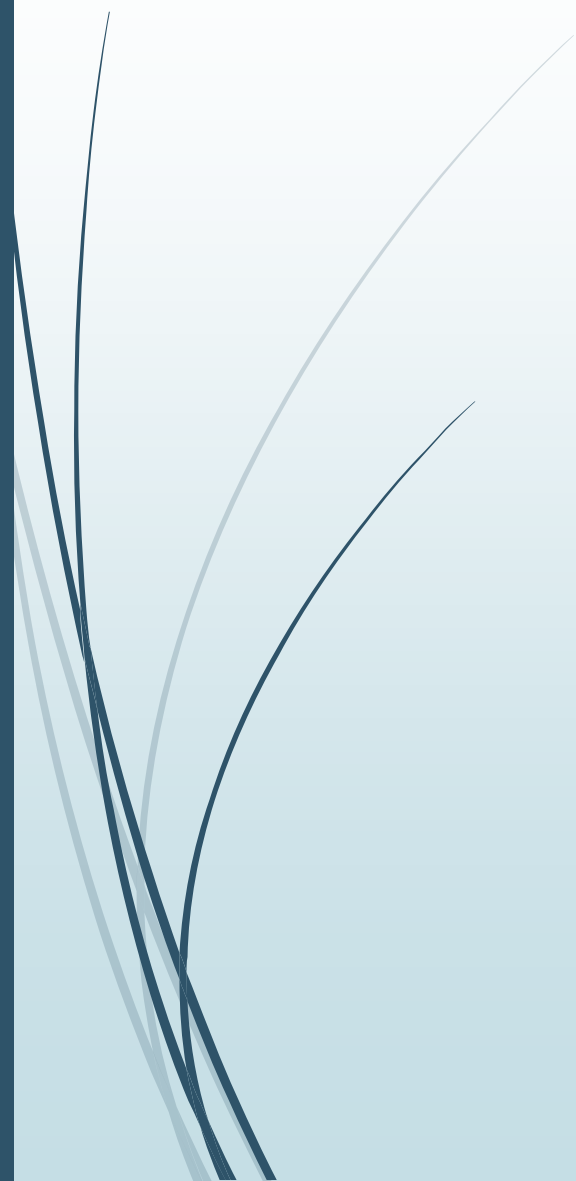

A dark grey arrow points to the right from the top left corner. Several thin, light blue lines curve downwards from the left side of the slide, overlapping the black error message box.

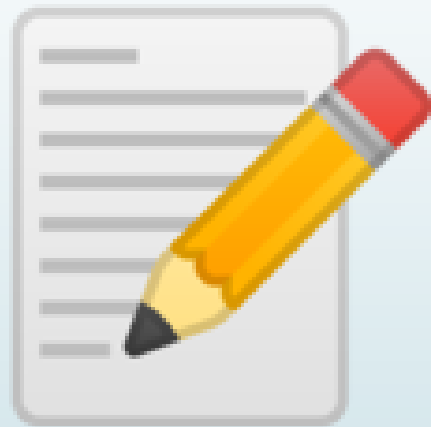

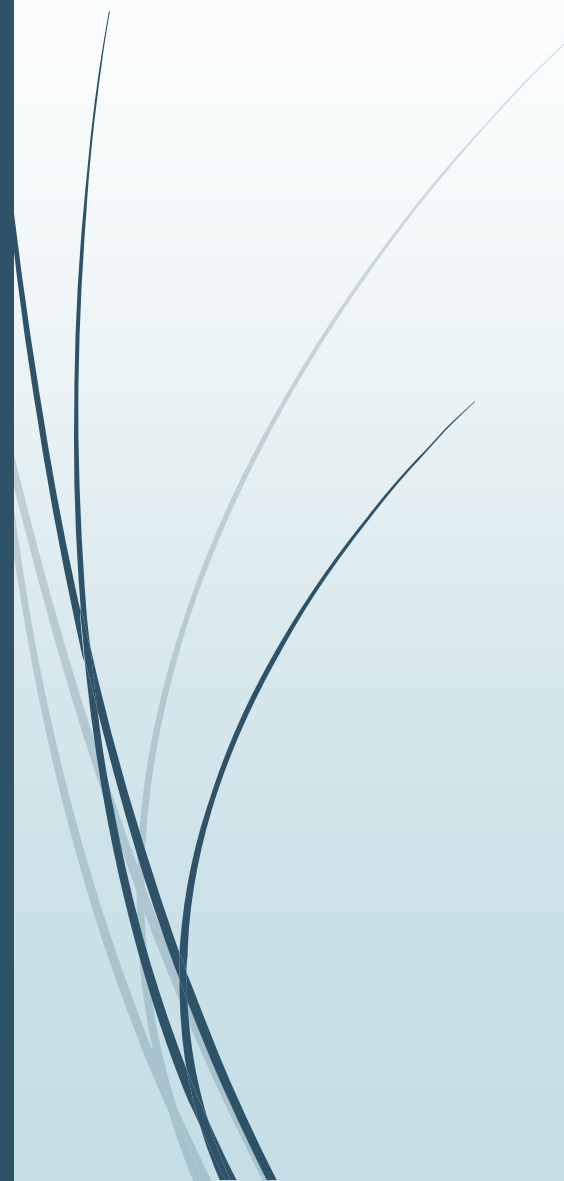

```
error C4430: missing type specifier - int assumed. Note: C++ does not support default-int
error C2146: syntax error: missing ';' before identifier 'M'
error C2143: syntax error: missing ';' before '{'
error C2447: '(': missing function header (old-style formal list?)
error C4430: missing type specifier - int assumed. Note: C++ does not support default-int
error C2146: syntax error: missing ';' before identifier 'M'
```

```
#include <fstream>
```
